

We will move you along the path to sustainable business

WHAT WE OFFER

INFORMATION

ESG Radar

Infoservice on key news and trends in ESG at home and abroad.

Web Portal

An internet map of services, resources and inspiration for ESG newcomers.

DIAGNOSTICS

ESG Thermometer

A diagnostic tool to determine the level of a company's ESG readiness.

CONSULTATION

Recommendations

Free intro meeting for companies to introduce the topic and the CZ ESG environment.

www.udrzitelne-podnikani.cz

WE STRIVE FOR:

- an improved awareness of ESG challenges and opportunities among medium-sized businesses
- a functional ecosystem (people, services and environment) to support ESG across the business, government and non-profit sectors
- transforming the Czech economy towards sustainable business

For more information and to arrange a meeting, email Ivan Lukáš at lukas@glopolis.org.

A non-profit think-and-do tank connecting divergent groups from the NGO, business and public sectors to promote sustainability and democracy.
